You get to guide students through lessons supplied for you that apply biblical principles to their lives. You get to connect students with God and others who will assist them with their faith.

CARE TEAM

BAPTISM TEAM

The baptism team is responsible for helping with the planning, set-up, execution and breakdown of the churchwide and/or campus specific baptisms events.

CARD TEAM

The card writing team encourages people during times of struggle or life change via tangible, written communication. In a world where we are surrounded by digital communication, a handwritten card is a much more personal means of communication. We use cards to lift up those in crisis, to celebrate those with milestones, to reach those who have been absent, or simply to say hi. Our goal is to send cards weekly to those in our church and around us in the community.

FUNERAL TEAM

The funeral team works alongside the campus pastor and Care Coordinator to ensure that each and every funeral service is planned and executed with the excellence that the day deserves. This may involve providing meals, helping with set-up and breakdown, greeting family/friends when they arrive, etc.

MEALS TEAM

The meals team provides care through the gift of a meal during a time of need that is experienced by one in our church community or extended community. The meals team serves folks who don't have another support system, and provides meals for a predetermined period of time and number of meals.

PRAYER TEAM

Being a part of the prayer team is a sacred trust, to have people share their concerns and joys with us. We get to communicate with God on their behalf by praying for them. Our goal is to help others feel comforted by providing at least 3 'touches' from the team by either a phone call, email, or card of encouragement.

DREAM TEAM CENTRAL

BREAKFAST TEAM

We don't want our worship team or campus pastor to collapse on the stage! This team gives our Sunday morning volunteers the fuel they need to serve through the morning. They prepare, serve and clean up breakfast for all of our Dream Teams before morning services.

DREAM TEAM CHECK-IN:

Each week every volunteer who is serving is checked into our data system (The Rock).

FACILITIES TEAM

Our building is an incredible resource for helping people feel safe and welcome and introducing them to Jesus.

You can help keep our building, facility, and grounds in top condition.

- Building Maintenance
- Landscaping and Lawn Care

SAFETY TEAM

Our team exists to provide a safe and inviting place for all guests to encounter God in a worry-free environment.

The Safety Team is a visible and approachable part of the PCC guest experience. We serve alongside all other teams by welcoming guests, staying aware of what is happening around us, identifying concerns early, and being prepared to respond when needed.

*Background checks and Safety Team training are required.
